

Adrianna Eve Company

**Juniors - Tuesdays 6:30-7:30pm**

**Teacher Information:** Donya Grissett - (919) 444-4728

**Description:** Introduction to jazz technique and lyrical/contemporary movements for ages 7-12. This class will build on the foundations from the Petite class. Dancers will learn various jazz techniques, such as leaps, turns, kicks, and short dance combinations.

**Attire:** Form-fitting clothes, such as leggings, biker shorts, leotard & tights, etc.

Black or nude jazz shoes or bare feet. Hair is to be pulled back out of face.

**Objectives:**

1. Each class dancers will practice dance technique across the floor learning to master various skills typically used in jazz and lyrical/contemporary dance.
2. Dancers will learn several short dance combinations throughout the first semester to increase their memorization skills and build stamina from rehearsing routines in class.
3. Second semester, dancers will learn 1-2 routines for the end of year recital. The final number of routines will depend on how well the students are mastering the choreography.
